

Webb Wilder, Rock Therapy

"Rock Therapy"

I don't need a doctor
I don't need a pill
Anything other therapy would only make me ill
I need rock therapy
I need rock therapy
I need rock therapy
Well now give it to me
Now give it to me
Now give it to me

Well, I don't need a doctor I don't need a nurse
Anything you give me babe will only make me worse
I need rock therapy
I need rock therapy
I need rock therapy
Well now give it to me
Now give it to me
Now give it to me

Let me have it

I don't need vitamins
They don't stand a chance
Swinging with my baby doing a rock and roll dance
I need rock therapy
I need rock therapy
I need rock therapy
Well now give it to me
Now give it to me
Now give it to me

Let's rock

Well rock rock rock therapy
Rock rock rock therapy
Rock rock rock therapy
Rock rock rock therapy
Rock rock rock therapy
Rock
