

Webb Wilder, Scattered Smothered And Covered

""Scattered, Smothered and Covered""

Well yeah, this is my apartment
I hope you like it, I just decorated it myself
Well yeah, I read most of 'em
I prefer reading... bios, novels, got 'em all on the shelf

You wanna see my etchings?
After all, you're looking so fetching
Naw, that's the phone
Let the machine get it
It's probably Peter and Gabriel or somebody
Ballet? Well, only when the women are dancing
Could I offer you something to drink?
What do you think?
Are you sure you wouldn't like to check out those etchings?

Scattered, smothered, covered in love
Comin' down, all around like a light from above
Scattered, smothered, covered in love
It keeps knockin' me down, but I keep gettin' back up

Aw, do you need some space?
I gotta tell ya, you strike me as a fine young intelligent girl
Old fashioned, with new-age values, awww
What I value most is a vibey, stimulating conversation
Delayed gratification
Because everything's great, but I want to make this date
Just right, and if I have to hesitate, it don't bother me baby
'Cause I know in time, you will find, that my mind is

Scattered, smothered, covered in love
Comin' down, all around like a light from above
Scattered, smothered, covered in love
It keeps knockin' me down, but I keep gettin' back up

Aww baby, don't change your mind
I know you're a little touchy, but I'll take my time

Oh my God, you're a tigress

Did you see colors? Flippy...
That's right, I felt the Earth move
That's right baby, we're both in the groove

Hmm, it's gettin' kind of square around here
Let's go diggin' my favorite group, "Acres of Suede"
Some big cats who play the sounds of, well, everything, you know... new-wave
Let's rock and sock, that's right baby
It's a night for love
Let's kick off some sand
C'mon baby, let's groove!
Make the scene, you know what I mean

'Cause I'm...
I'm Scattered-smothered-covered in love
I'm Scattered-smothered-covered in love
I'm Scattered-smothered-covered in love
I said hey lordy mama in the heavens above, well
I'm Scattered-smothered-covered in love
I'm Scattered-smothered-covered in love
I'm Scattered-smothered-covered in love
I'm Scattered-smothered-covered in love
