now I'ma hit you in a minute-gotta get this loot

girl we got us somethin special, I know it ain't nothin better

you can trust me cause I'm tellin ya I don't want nothin else

you get lonely you can just use the pictures up on the dresser

I ain't never think a woman could have me this lil'feelin

girls'll walk up on me flirtin, I be tellin e'm "Nah I'm chillin"

hug you till I go to sleep just to squeeze you like my lil'pillow

then I wake up Monday mornin'don't come back till Friday

in my whole 'nother whip, sittin on 6's with tinted windows

baby phat bags, all the purses with matchin'slippers

you done heard I f\*\*ked this dumb bitch-now you mad trippin

tears in ya eyes, yellin you tired of my fast livin

I'm just happy for to see ya, godamn...I miss you

(Chorus-Le'Toya)

Since you went away, I been down and lonely

since you went away, I been thinkin of you

Ooooooh I'm missin you, Ooooooh I'm missin you

(Verse 2-Webbie)

From rags to riches, if that xxxx was to hit me again

I'd have to bring you with me again

it done been alot of stuff I found myself in

and you stuck by a nigga like my left hand

it wasn't all this at first, till we just kept prayin

now I'm on-and you a bad xxx bitch, Yes maam

and oh yes maam as soon as I get home it's gon'be work time

and you know us we like to xxxx like it's the first time

you tell the first time for some reason

I knew that I was stayin'and I figured you wasn't leavin

I know that I don't need ya, but be feelin like I need ya

when it come to certain people, I act like I got a meetin'

but I just wanna please ya-trust me they just wanna be ya

whenever I ain't wit ya baby I can't wait to see ya

I gotta keep it G and say I love ya, cause I'm fuh real

I wash away all the tears, we been doin this xxxx for years

(Chorus-Le'Toya)

Since you went away, I been down and lonely

since you went away, I been thinkin of you

Ooooooh I'm missin you, Ooooooh I'm missin you

(Bridge-Le'Toya)

Ya everything I need, couldn't have asked for more

boy you know you were, waitin for

I know you wonder why I'm standin at the door

to let you know, I miss you

and you will see it in my eyes

you're the completion to my life

ain't even a question, you already know

but I remind you that, I miss you
