

# Wedding Present, What Have I Said Now?

About what I said just before  
You know, your clothes on the floor  
I never meant to hurt you  
I got carried away  
I guess I've had a long day  
Look, I'd sooner die than lose you  
Over something like that  
Oh, please, next time just shout back  
And I didn't say that I hate you  
I think sometimes you forget  
And now look how we're upset  
Let's talk about it later

Why can't I ever say what I mean?  
Why can't I ever say what I mean?

Oh no I don't know her name  
And no, it's not just the same  
I just thought she looked quite pretty  
What do you want me to do  
Smile at nobody but you?  
Well if you're going to be that petty  
I'm not being unfair  
Okay, I am, but who cares  
Well, now at least we're talking  
And what about all of those friends  
And all those letters they send  
They can't all be that boring

Why can't I ever say what I mean?  
Why can't I ever say what I mean?

Of course I take it all back  
I never said that  
And I think you know  
I said I'm sorry alright?  
Look, will this carry on all night?  
Because I think I'll go

I take it all back  
I never said that  
And I think you know  
Sorry, alright?  
Will this carry on all night?  
I think I'll go
