

Wednesday 13, Scream Baby Scream

I

I know what youre thinking
That I bury the living

Creeping through the mortuary
Bite your nails its getting scary
Creeping, crawling in the murk
Digging through the dirt
GRAVEROBBER
Average everyday cadaver
Blood splatter
Whats the matter?
Corpse grinder body thief
Let me be your trick or treat
A world beyond your wildest screams
Ghouls an goblins spooks and creeps
Welcome to creature feature number thirteen
Scream baby scream

I

Know that is sounds strange
That I wanna eat your brains
