

# Wednesday 13, Scream Baby Scream

I

I know what youre thinking  
That I bury the living

Creeping through the mortuary  
Bite your nails its getting scary  
Creeping, crawling in the murk  
Digging through the dirt  
GRAVEROBBER  
Average everyday cadaver  
Blood splatter  
Whats the matter?  
Corpse grinder body thief  
Let me be your trick or treat  
A world beyond your wildest screams  
Ghouls an goblins spooks and creeps  
Welcome to creature feature number thirteen  
Scream baby scream

I

Know that is sounds strange  
That I wanna eat your brains
