## Wednesday 13, Too Much Blood

I've got a shotgun
A bottle of Jack
Going to hell and I ain't ever coming back
Last call for alcohol
I'll tell you when I'm done
Wanted in ten states
A motherfucker on the run
Now let's go

So tell me when did drinking become a crime Your whining and complaining Is cutting into my drinking time

I've got too much blood in my

I'm whisky bent and I'm feeling fine Well, I've been up and down It happens every time Broken bottles don't mend broken hearts Home wrecker 101 Now where do we start Now let's go

So tell me when did drinking become a crime Your whining and complaining Is cutting into my drinking time

I've got too much blood in my

On your mark Get ready and Drink, drink, drink, drink, drink, drink

So tell me when did drinking become a crime Your whining and complaining Is cutting into my drinking time

I've got too much blood in my
