I used to think my life was only up to me  
But livin life this way can be so lonely  
Everyday with what it takes to stay alive  
What we need is each other to survive

Oh oh oh oh oh oh  
Da doo da doo da doo doo doo  
Oh oh oh oh oh oh

So reach out and take the hand  
Head up above the sun

Stop givin love the third degree  
Its time we found love for the 21st century
