Ween, Joppa Road

How would you feel, if I took you away To a place I know, a place where we could stay Called Joppa Road, a pretty place I know Where we can go, called Joppa Road The things I feel on Joppa Road Can make me stay, and make me go This old road where I long to go Called Joppa Road, where we can go Put your best dress on, there's a place I know Where we can go, called Joppa Road It's a little ways where the sun shines down Where we drive real slow, on Joppa Road Joppa Road, a pretty place I know Where we can go, called Joppa Road Hey, yo bro, that's a dude I know Works on Joppa Road, at the Sunoco If we drive by slow, with the top down low We'll heel and toe on Joppa Road (Repeat first verse) It's a little ways where the sun shines down Where we drive real slow on Joppa Road On Joppa Road, Joppa Road Baby, you look great today (Repeat first verse)
