

# Ween, Pork Roll Egg And Cheese

When you've had your fun, and your work is done,  
You must not succumb.

I can feel you breathe. It's like a mega-weedge inside.

Please don't hide.

So mommy, if you please, pass me the pork roll egg and cheese, if you please,  
On a kaiser bun.

Mommy, if you please, pass me the pork roll egg and cheese, if you please,  
On a kaiser bun.

Not right, but wrong in a good way.

So mommy, if you please, pass me the pork roll egg and cheese, if you please,  
On a kaiser bun.

On a kaiser bun.

When you've had your fun, and your work is done,
