

Ween, PUFFY CLOUD (PUFFI CLAUDE)

Drift away on a puffy cloud
Go away on a puffy cloud
My brain is dead from too much pot
'Cause (Gene) (Dean) and I smoke too much pot
Cloudy cloudy cloudy cloud
Cloudy cloud cloudy cloud
Cloudy cloudy cloudy cloud
Cloudy cloud cloudy cloud
Float away on a cotton ball
We write songs about the clouds
My brain is dead from too much pot
'Cause (Gene) (Dean) and I smoke too much pot
Cloudy cloudy cloudy cloud
Cloudy cloud cloudy cloud
Cloudy cloudy cloudy cloud
Cloudy cloud cloudy cloud
Drift away on a puffy cloud
Go away on a puffy cloud
My brain is dead from too much pot
'Cause (Gene) (Dean) and I smoke too much pot
Cloudy cloudy cloudy cloud
Cloudy cloud cloudy cloud
Cloudy cloudy cloudy cloud
Cloudy cloud cloudy cloud
