## Ween, Push Th' Little Daises

when u lie kiss your baby bye bye bye and if you're true the whole wide world will laugh with you when we see nothing's wrong with you and me with you time will tell it might even bring a wedding bell if u think that i'm a loser well you suck, cause u know i ain't nothin' but a user of your love can't get enough girl it's true the whole wide world is smilin' with you push th' little daisies and make em come up sometimes i know sometimes i'm on the go but i'm comin' back so don't give me no flack it's all you and it's me too it's your world you're the girl happier than shit things that might go click with me click with you is that love? is that love? oh. push th' little daisies and make em come up (x8) watch the litle daisies grow, little daisies grow now just push th' the little daisies and make 'em come up watch them grow watch them grow as i push the little daisies and make 'em come up make 'em come up make 'em come up make 'em come up, say push th' little daisies and make em come up (x7)
