Ween, Shamemaker

when i feel ashamed i get so scared it makes me wanna hurt you shamemaker

my body aches and i feel alone i'm in a very defensive place shamemaker

oh oh-oh ooh! feel the feeling oh! [unsure] feelings feel it in the belly like a yellow worm with teeth

oh oh-oh ooh! bring it down, don't think too much feel the feeling let it have its way til it says good bye Go!

i need to breathe

just need to breathe don't walk away shamemaker

touch me you need to touch me but i'm afraid shamemaker

oh oh-oh ooh! feel the feeling oh! [unsure] feelings feel it in the belly like a yellow worm with teeth

oh oh-oh ooh! bring it down dont think too much feel the feeling let it have its way til it says good bye let it have its way til it says good bye

let it go shamemaker
