

# Ween, Take Me Away

Why they wanna see my spine mommy?

Why they wanna see my spine?

It's gonna hurt again mommy

Much worse than last time

Am I gonna see God, mommy?

Am I gonna die?

It really hurts mommy!

Am I gonna die?

Smile on mighty Jesus

Spinal meningitis got me down

I'm feelin' grasy mommy

Please don't let me die

Stinky vaseline mommy

Please don't let me die

Am I gonna see God, mommy?

Am I gonna die?

It really hurts mommy!

Am I gonna die?

Smile on mighty Jesus

Spinal meningitis got me down
