

# Ween, The Goin' Gets Tough From The Getgo

Smack dab in the middle of a situation  
Overlooked by fools  
Tables turned, lessons learned  
You get burned for playin' by the rules  
Time is lost, that's the cost  
Oh brother you got shit on in the end  
Scrape for a dollar, you'll die smilin'  
Learnin' the same lessons once again

The goin' gets tough from the get go go man go  
Oh brother not another motherfucker  
Gotta go now
