

# Weeping Willows, Touch Me

Real life  
Killed me on the school bus  
Real life  
Wise guys never weep  
Real life  
Dying to be famous  
Real life  
Happens on tv

Real life  
Covered up in make-up  
Real life  
It's only make-believe  
Real life  
I need you when I wake up  
Real life  
I touch you on a screen

Touch me  
Touch me  
I long to live for real  
Touch me  
Touch me  
I'm just as human as a human can be  
Please touch me

Real life  
Full of imitations  
Real life  
I talk to you in codes  
Real life  
Real imagination  
Real life  
A heart behind these clothes

Touch me  
Touch me  
I long to live for real  
Touch me  
Touch me  
I'm just as human as a human can be  
Please touch me

Touch me (touch me)  
Touch me (touch me)  
I long to live for real  
Touch me (touch me)  
Touch me (touch me)  
I long to live for real  
Touch me  
Touch me  
I'm just as human as a human can be
