Weezer, Ain't Got Much Time

You said you'd never love me
I said you'd never try
I can't believe this world is gonna die

And why can't you get me on the line?
I swear to you I ain't got much time

You said you'd never need me
I said you'd never care
I can't believe this world is gonna end

And why can't you get me on the line?
I swear to you I ain't got much time

Oh, oh, oh oh oh
Oh, oh oh

And why can't you get me on the line?
I swear to you I ain't got much time

Oh, oh, oh oh oh
Oh, oh oh
