

Weezer, American Gigolo

Sit down and quiet everybody
You got a long way to go
I told you once before that
You better not stop the show

Keep on, keep on, keep on, keep on
Keep on, keep on, keep on, yeah

If you want me
You can't have me
Because you've got to
Understand me

Back off now, baby I'm a loner
You got a lotta things to see
I told you once before that
You better not take it from me

Keep on, keep on, keep on, keep on
Keep on, keep on, keep on, yeah

If you hate this
Oh, I can't blame you
Because I'm hurting
So I'll flame you

I've seen this game before
My love walks right to your door
There ain't no hope for me anymore
Ah ha ha ha... yeah

If you hate this
Oh, I can't blame you
Because I'm hurting
So I'll flame you

I've seen this game before
My love walks right to your door
There ain't no hope for me anymore
Ah ha ha ha... yeah
