

# Weezer, December

Only love can ease the pain  
Of a boy caught in the rain

Only hope will remember  
Burning flames in December

Only love  
Only love...

Only faith can bring to life  
One who falls by the wayside

Only trust can inspire  
Soggy lungs to breathe fire

Only love  
Only love...

It's only natural  
The moon is just half full  
We give our best away  
We give our best away  
Only love...

Only trust can inspire  
Soggy lungs to breathe fire

Only love  
Only love...

Only love  
Only love...
