

Weezer, Island in the sun

Hip hip, hip hip
When youre on a holiday
You cant find the words to say
All the things that come to you
And I want to feel it, too
On an island in the sun
Well be playin and havin fun
And it makes me feel so fine
I cant control my brain
Hip hip, hip hip
When youre on a golden sea
You dont need no memory
Just a place to call your own
As we drift into the ozone
On an island in the sun
Well be playin and havin fun
And it makes me feel so fine
I cant control my brain
Well run away together
Well spend some time forever
Well never feel that anymore
Hip hip, hip hip
On an island in the sun
Well be playin and havin fun
And it makes me feel so fine
I cant control my brain
Well run away together
Well spend some time forever
Well never feel that anymore
Hip hip, hip hip
Well never feel that anymore
No, no
Well never feel that anymore
No, no
