

Weezer, Knock-Down Drag-Out

Any day now you'll call me up on the phone
Say you love me more than you ever did before

It's all that I can do right now
To make it up to you somehow
And meet you on the other side of home

Take no prisoners here in this knock-down drag-out war
That we're waging on each other forever more

It's all that I can do right now
To make it up to you somehow
And meet you on the other side of home
Say you love me now

It's all that I can do right now
To make it up to you somehow
And meet you on the other side of home

Take no prisoners here in this knock-down drag-out war
That we're waging on each other forever more
That we're waging on each other forever more
