

# Weezer, Knock down drag out

Any day now youll call me up on the phone  
Say you love me more than you ever did before  
Its all that I can do right now  
To make it up to you somehow  
And meet you on the other side of home  
Take no prisoners here in this knock-down, drag-out war  
That were waging on each other forever more  
Its all that I can do right now  
To make it up to you somehow  
And meet you on the other side of home  
Say you lvoe me now  
Its all that I can do right now  
To make it up to you somehow  
And meet you on the other side of home  
Take no prisoners here in this knock-down, drag-out war  
That were waging on each other forever more  
That were waging on each other forever more
