

# Weezer, Teenage victory story

I'm gonna bury you  
I'm gonna bury you  
I don't care what you do  
As long as I approve  
'Cause you don't know the way I feel  
Spinning here inside this wheel  
I've been waiting for so long  
To sing my teenage victory song  
Whoa Lord I'm comin' home  
I'm gonna play all night  
I'm gonna beat you right  
And mash you in the nads  
And kick you outta sight  
'Cause you don't know the way I feel  
Spinning here inside this wheel  
I've been waiting for so long  
To sing my teenage victory song  
Whoa Lord I'm comin' home  
C'mon everybody sing along [sing along]  
Let's make them feel dumb  
'Cause they were wrong [they were wrong]  
We'll dance and sing the night away [night away]  
Say you'll stay  
'Cause you don't know the way I feel  
Spinning here inside this wheel  
I've been waiting for so long  
To sing my teenage victory song  
Whoa Lord I'm comin' home  
C'mon everybody sing along [sing along]  
Let's make them feel dumb  
'Cause they were wrong [they were wrong]  
We'll dance and sing the night away [night away]  
Say you'll stay  
I'm gonna play all night  
I'm gonna beat you right  
And mash you in the nads  
And kick you outta sight  
'Cause you don't know the way I feel
