

Weezer, The Christmas Song

You told me you would be here by my side
Warming my heart on this cold winter's night
Here I sit waiting beside the tree all by myself (by myself)

You told me you would bring presents and treats
Cheering my spirits with homemade sweet meats
Here I sit waiting beside the tree all by myself (by myself)

Oh, could you ever know how much I care?
Could you ever know that out somewhere
There's a boy who really hurts?

Since I've found you
I've found a girl
I've found a thorn
I've found a queen
Now I am warm

Oh, could you ever know how much I care?
Could you ever know that out somewhere
There's a boy who really hurts?

Since I've found you
I've found a girl
I've found a thorn
I've found a queen
Now I am warm

You told me you would bring presents and treats
Cheering my spirits with homemade sweet meats
Here I sit waiting beside the tree all by myself (by myself)
Here I sit waiting beside the tree all by myself
