

# Weezer, The Cruise

And we sing (out of tune)

Come on!

There's so many of you, so many people I see  
So many of you that I'd like to meet  
There's so many things we could do  
If you only knew  
Jump with you, sleep with you, cheat on our soulmates and find  
That some people care and some they don't mind  
It don't matter we do what we do  
As we break on through

And we sing  
Out of tune  
We are on the cruise (the cruise)

Optimistic right now, maybe I am  
I know how so many people hate that  
They'd rather see you lose  
And drag you in the hole they're into  
Jump with you, laugh with you, babble while they criticize  
Let them say what they say, no I really don't mind  
Just let them do what they do  
As we break on through

And we sing  
Out of tune  
We are on the cruise (the cruise)

Sleep with you  
Deceive with you  
Laugh with you  
Break on through to the cruise

Yeah  
And we sing  
Out of tune  
We are on the cruise (the cruise)

There's so many of you, so many people I see  
So many of you that I'd like to meet  
So many things we could do on the cruise

We're on the cruise  
We're on the cruise  
We're on the cruise, we're on the cruise  
We're on the cruise

(but mostly keep it alive)
