

Weezer, The Wold Has Turned And Left Me Here

The world has turned and left me here
Just where I was before you appeared
And in your place an empty space
Has filled the void behind my face
I just made love to your sweet memory
One thousand times in my head
You said you loved it more than ever
You said you remain, turned away
Turning further every day
I talked for hours to your wallet photograph
And you just listened
You laughed enchanted by my intellect
Or maybe you didn't
Do you believe what I sing now?
