Weezer, Troublemaker

Put me in a special school 'Cause I am such a fool And I don't need a single book to teach me how to read

Who needs stupid books? They are for petty crooks And I will learn by studying the lessons in my dreams

So turn off the TV 'Cause that's what others see And movies are as bad as eating chocolate ice cream

They only sicken me Don't let me play football I'll sack the guarterback and jack the brother of the ball

I'm a troublemaker Never been a faker Doing things my own way and never giving up

I'm a troublemaker Not a double-taker I don't have the patience to keep it on the up

I picked up a guitar What does it signify? I'm gonna play some heavy metal riffs and you will die

You wanted arts and crafts How's this for arts and crass? (guitar riff) "(That's right!)"

I'm growing out my hair I'm moving out to Cherokee I'm gonna be a rock star and you will go to bed with me

'Cause I can't work a job Like any other slob Punching in and punching out and sucking up to Bob

Marrying a bitch Having seven kids Giving up and growing old and hoping there's a God

I'm a troublemaker Never been a faker Doing things my own way and never giving up

I'm a troublemaker Not a double-taker I don't have the patience to keep it on the up

I'm gonna be a star And people will crane necks To get a glimpse of me and see if I am having sex

And studying my moves They try to understand Why I am so unlike the singers in the other bands

I'm such a mystery As anyone can see There isn't anybody else exactly quite like me And when it's party time Like 1999 I'll party by myself because I'm such a special guy

I'm a troublemaker Never been a faker Doing things my own way and never giving up

I'm a troublemaker Not a double-taker I don't have the patience to keep it on the up

Keep it on the up! I'm a troublemaker Never giving up
