

Weezer, Ttake control

Leave me now
Show me how
And I won't be ashamed
Of the things we once made
And I won't be comin'
Back round here no more... no
Leave and try
Tell me why
And I won't let you down
Drag your name all over town
And I won't be comin'
Back round here no more... no
No... everyone, everyone
Everyone I know
Take control
And I won't let you down
Drag your name all over town
And I won't be comin'
Back round here no more
No... everyone, everyone
Everyone I know
Take control
Whoa-oh
Whoa-oh
Whoa-oh
