

# Weezer, Yellow Camaro

And the wheels of motion will move fine  
God bless the U.S. assembly line  
It's a game and you play with hi-octane  
It's the pace of the race, and you are following

Right on  
Yellow Camaro  
Yellow Camaro

With freedom of eagles you soar high  
God bless you're a mess before you try  
It's a shame that you've done such a dumb thing  
It's the pace of the race, and you are following

Right on  
Yellow Camaro  
Yellow Camaro (Oh no)

Oooh Right on  
Yellow Camaro  
Yellow Camaro (Oh no)
