Weezer, You Won't Get With Me Tonight

who you callin' bitch
don't you listen to a word they say
they make me so mad
they don't matter to me anyway

chill out baby stay with me for a while
but that don't mean ill get with you tonight

so pissed at those boys
let me comfort you and hold your hand
especially that Dyno
acting like he knows he's got a big thang

I know his type you're safe with me for a while
but that don't mean I'll get with you tonight

I want you so badly
too bad that you're too bad for me
you love me and I like you
but I got to got to getchoo

oh I love you so
please remember that I'm just a friend
a friend who's in my pants
never more never ever again

you're too crazy for me to settle down with
so I won't let me lead you on with a kiss

I want you so badly
too bad that you're too bad for me
you love me and I like you
but I got to got to getchoo

it hurts you so badly
I'm sorry you cant have me
I wont let me get with you tonight

I loved you so badly
too bad that you're too ??? for me
you love me and I like you
but I got to got to getchoo

it hurts you so badly
im sorry you can't have me
it hurts you so badly
im sorry you can't have me

I wont let me get with
I wont let me get with you tonight

who you callin' bitch
don't you listen to a word they say
they make me so mad
I don't care about them anyway

chill out babe and stay with me for a while
that don't mean I'll get with you tonight
that don't mean I'll get with you tonight
