

Weezer, Zep Jamb

Alright

Say baby
Love me
Lay your money down
(Lay it double-down)
Say baby
Lay your money down

Roll over
You're playing dead
Now served your need
(Lay it down on me)
Find someone else you can be

'Cause I'm not in love with you
I'm not in love with you
I'm not in love with you
Makin' love, alright
Alright

'Cause I'm not in love with you
No I'm not in love with you
I'm not in love
Makin' love, alright

Alright
Alright
Alright
