

Welbilt, Couldn't Be Better

I read the expiration date
but drank all of it anyway
and I'm having trouble staying on my feet

the pressures on the walls are bent
and I have to start all this again
but victory is always bittersweet yeah

but I'm fine I'm alright
and i couldn't be better
if i tried
I'm fine I'm alright
and i couldn't be better

have you seen my mind today
i seem to have misplaced my brain
i don't think it's coming back to me

the medications wearing off
but the side effects aren't bad enough
for me to go against my own advice
cause it only hurts when i blink my eyes

but I'm fine I'm alright
and i couldn't be better
if i tried
I'm fine I'm alright
and i couldn't be better
couldn't be better
yes I'm fine

if i lied to you and told you
someone else was driving me
i'd still be sitting riding shotgun
in someone else's drunken pipe dreams
i've got everything under control
all you have to do is let go

but I'm fine I'm alright
i couldn't be better
if i tried
But I'm fine yeah eah yeah I'm alright
I'm fine I'm alright
I'm fine I'm alright
and i couldn't be better
