

Welch Gillian, I'm Not Afraid To Die

Nobody knows what waits ahead
Beyond the earth and sky
Lie-d Lie-d Lie
I'm not afraid to die

And there the work of my own hand
Be broken by and by
Lie-d Lie-d Lie
I'm not afraid to die

Sometimes it finds me fast asleep

And wakes me where I lie
Lie-d Lie-d Lie
I'm not afraid to die

Forget my sins upon the wind
My hobo soul will rise
Lie-d Lie-d Lie
I'm not afraid to die

Lie-d Lie-d Lie
I'm not afraid to die
