

Wendy And Lisa, Are You My Baby

Oooh, are you my baby
Oh, you make me crazy
Won't you be my man

To my young and foolish heart
Loving has no end
Sometimes people grow apart
That's why I am wondering

Oooh, are you my baby
Or are we just friends
Oh, you make me crazy
Baby baby, won't you be my man

I've had lovers in the past
But it always ends
A love like ours would surely last
Because you are my friend

It's a crazy thing
But of you I sing
I won't be alone
'Cause you are my home
You're my lucky card
'Cause in your love I start
You're my only heart
Can't you feel its crazy beating

Oooh, are you my baby
(My baby)
Or are we just friends
(Be friends)
No, no, no, no
Oooh, I'm a-gonna go crazy
(Say you love me)
Baby baby, won't you be my man

No, no, no, no
Yeah, yeah, yeah, yeah
No, no, no, no
Yeah, yeah, yeah, yeah

Oooh, are you my baby
(My baby)
Or are we just friends
(Be my baby)
Oooh, oh, you make me crazy
(Say you love me)
Baby baby, won't you be my man

Two, three, four

It's a crazy thing
But of you I sing
I won't be alone
'Cause you are my home
You're my lucky card
'Cause in your love I start
You're my only heart
Can't you feel its crazy beating

(Be my baby)
Oooh, are you my baby
(Be my baby)

Yeah, yeah, yeah, yeah
Or are we just friends
No, no, no, no
(Be my baby)
Oooh, I'm a-gonna go crazy
(Be my baby)
No, no, no
Baby baby, won't you be my man

(Be my baby)
Oooh, won't you be my baby
(Be my baby)
Or are we just friends
Oooh, are you my baby.
