

# Wenlock, I'm A God

Feel I've just tried  
I know that they were running  
When I howl  
I'm better than I got know

Because  
I have to got running  
Because  
I have stopped prevert

I'm dreaming  
I want to proenter than sin  
To fly Alabama like sin  
To Rock'n Roll

I am cold because  
I watch her every day  
I said my way shaya

I was born to clamp  
Most as me  
Best I loud  
We'll drown

I'm dreaming  
I want to proenter than sin  
To fly Alabama like sin  
To Rock'n Roll

(electric guitar solo)

Homed as I loud  
And manasaloma  
one virtual man  
Because manishii

Because I here  
Body last me but  
For you my friend  
Why ain't you called?

I'm dreaming  
I want to proenter than sin  
To fly Alabama like sin  
To Rock'n Roll
