

WestBam, United states of love

Why are you so quiet,
when our love started this riot.

It's you and I.

United.

Why are you so quiet,
when we are so non-devided.

It's you and I.

United.

Why are there so many,
and our love don't cost a penny.

You and I.

United.

Why are you so high,
is it because of you know why.

You and I.

United.

It's you and I.

United.

It's you and I.

United.

It's you and I.

United.

It's you and I.

United States of Love.
