

Westlife, Angels wings

I would die for you
Lay down my life you
The only thing that means
Everything to me
'Cause when you're in my arms
You make my prouder
Than anything I ever
Could achieve
And you make everything
That used
To seem so big
Seem to be so small
Since you arrived
On angel's wings, an
Angelical formation
Angel's wings, like letters in the sky
Now I know no matter what
The question
Love is the answer
It's written on angel's wings
And I often wonder why
Someone as flawed as I
Deserves to be as happy
As you make me
So as the years roll by
I'll be there by your side
I'll follow you wherever your
Heart takes me
Cause you make everything
That used
To be so big
Seem to be so small since
You arrived
(Chorus)
Now anyone who's felt the touch
Of heaven in their lives
Will know the way I'm
Feeling looking
In my baby's eyes
That's why I can't bear to be
Too far away
I know that god must love me
Cause he sent you to me on
Angel's wings
