Westlife, Angels wings

I would die for you Lay down my life you The only thing that means Everything to me 'Cause when you're in my arms You make my prouder Than anything I ever Could achieve And you make everything That used To seem so big Seem to be so small Since you arrived On angel's wings, an Angelical formation Angel's wings, like letters in the sky Now I know no matter what The question Love is the answer It's written on angel's wings And I often wonder why Someone as flawed as I Deserves to be as happy As you make me So as the years roll by I'll be there by your side I'll follow you wherever your Heart takes me Cause you make everything That used To be so big Seem to be so small since You arrived (Chorus) Now anyone who's felt the touch Of heaven in their lives Will know the way I'm Feeling looking In my baby's eyes That's why I can't bear to be Too far away I know that god must love me

Cause he sent you to me on

Angel's wings
