

Westlife, Can't Lose What You Never Had

Baby you're so beautiful
And when I'm near you I can't breathe
A girl like you gets what she wants
When she wants it
You're so out of my league
(Out of my league)
I show you no emotion
Don't let you see what you're doing to me
(Don't let you see babe)
I imagine the two of us together
But I've been living in reality

Fear of rejection, kept my love inside
But time is running out
So damn my foolish pride

Chorus:
I don't care if you think I'm crazy
(Crazy)
It doesn't matter if it turns out bad
(I don't care)
I've got no fear of losing you
You can't lose what you never had
Now I'm gonna confess that I love you
(Love you)
I've been keeping it inside
(Inside)
Feeling I could die
Now if you turn away, baby that's ok
At least we'll have a moment
Before you say goodbye
You can't lose what you never had
(Ohhh)

Rules are made for breaking
(Breaking)
Nothing ventured, nothing gained
I'll be no worse off than I am right now
And I might never get the chance again
Baby

Fear of rejection, kept my love inside
I told my heart I didn't want you but I lied

Chorus:
I don't care if you think I'm crazy
(I'm crazy)
It doesn't matter if it turns out bad
(Matter if it turns out bad)
I've got no fear of losing you
You can't lose what you never had
(Yeah)
Now I'm gonna confess that I love you
(I love you)
I've been keeping it inside
(Inside)
Feeling I could die
(I could die)
Now if you turn away, baby that's ok
At least we'll have a moment
Before you say goodbye
(Before you say goodbye)

Here on the outside looking in

(Lookin in)
Don't wanna stay dreaming
About what could have been
I need to hear you speak my name
Even if you shoot me down in flames

Chorus:
I don't care if you think I'm crazy
(I don't care baby)
Doesn't matter if it turns out bad
(If it turns out bad)
I've got no fear of losing you
You can't lose what you never had
I'm gonna confess that I love you
(I wanna confess)
I've been keeping it inside
(That I love you girl)
Feeling I could die
Now if you turn away baby that's ok
At least we'll have a moment
Before you say goodbye

You can't lose what you never had
You can't lose what you never had
(repeat til fade)
