

Westlife, Miss You

I can't sleep, I just can't breathe
When your shadow is all over me baby
Don't wanna be, a fool in your eyes
Cos what we had was built on lies
And when our love seems to fade away
Listen to me hear what I say

::Chorus::

I don't wanna feel
The way that I do
I just wanna be
Right here with you
I don't wanna see
See us apart
I just wanna say it straight from my heart
I miss you

What would it take, for you to see
To make you understand that I'll
Always believe
You and I, can make it through
And I still know, I can't get over you
Cos when our love seems to fade away
Listen to me hear what I say

I don't wanna feel
The way that I do
I just wanna be
Right here with you
I don't wanna see
See us apart
I just wanna say it straight from my heart

Oh baby, I miss you, I do
Cos when our love always
Fades away
Listen to me hear what I say

I don't wanna feel
The way that I do
I just wanna be
Right here with you
I don't wanna see
See us apart
I just wanna say it straight from my heart
I miss you, I miss you
I do

I don't wanna feel
The way that i do
I just wanna be
Right here with you
I don't wanna see
See us apart
I just wanna say it straight from my heart
Oh baby, I miss you, I do
