

# Westlife, Swear It Again (Radio Edit)

I wanna know  
Who ever told you I was letting go  
Of the only joy that I have ever known  
Girl, they're lying

Just look around  
And all of the people that we used to know  
Have just given up, they wanna let it go  
But we're still trying

So you should know this love we share was never made to die  
I'm glad we're on this one way street just you and I  
Just you and I

[Chorus:]  
I'm never gonna say goodbye  
Cos I never wanna see you cry  
I swore to you my love would remain  
And I swear it all over again and I  
I'm never gonna treat you bad  
Cos I never wanna see you sad  
I swore to share your joy and your pain  
And I swear it all over again

All over again

Some people say  
That everything has got its place in time  
Even the day must give way to the night  
But I'm not buying  
Cos in your eyes  
I see a love that burns eternally  
And if you see how beautiful you are to me  
You'll know I'm not lying

Sure there'll be times we wanna say goodbye  
But even if we try  
There are something's in this life won't be denied  
Won't be denied

[Chorus]

The more I know of you is the more I know I love you  
And the more that I'm sure I want you forever and ever more  
The more that you love me, the more that I know  
Oh that I'm never gonna let you go  
Gotta let you know that I

[Chorus]
