

Westlife, When A Woman Loves A Man

When the stars are in her eyes
And the sun is in her smile
The only moment in a life
That happens the same time
Is when a woman loves a man

She'll be a mother and a child
Sacrifice her days and nights
And no other will exist
She'll put her life in every kiss
When a woman loves a man

And you'll be amazed at when you're stumbling
She'll fight for you
And won't let you give in
She'll do all that she can
When a woman loves a man

A soothing breeze always blows
Somebody understands another soul
It's like the planets have aligned
Every sentence has a rhyme
When a woman loves a man

Oh, you'll be amazed how when
You're needing it
She'll fight for you
From the beginning to the end
And she'll do all that she can
When a woman loves a man

It's the greatest gift of all
Knowing tht unconditionally
She'll catch you when you fall

Yeah, yeah, yeah, yeah
Oooohh, yeah
When a woman loves a man

When the stars are in her eyes
And the sun is in her smile
She'll be a mother and a child
But all at the same time
When a woman loves a man

She'll be your air,
She'll bring you life
She'll make me sacrifice
When a woman loves a man
