

# Westlife, Why Did You Leave Me

If only you could see the tears  
In the world you left behind  
If only you could hear my heart  
Just one more time

Even when I close my eyes  
There is an image of your face  
Once again I come to realize  
You have lost that I can't replace

Soul then die  
It's keeping for the lonely  
Since the day that your were gone  
Why did you leave me  
Soul then die  
In my heart you were the only  
And your memory lives on  
Why did you leave me  
Soul then die

Walking down the streets on nothing will  
Where our love was young and free  
Can't believe just what an empty place  
It has come to be  
I would give my life away  
If it can only be the safe  
Cas' I could still the voice inside of me

That is calling out your name

Soul then die  
It's keeping for the lonely  
Since the day that your were gone  
Why did you leave me  
Soul then die  
In my heart you were the only  
And your memory lives on  
Why did you leave me  
Soul then die

Time will never change the things  
That you told me  
And after all we mean to be  
Love would bring us back to you and me  
If only you could see...

Soul then die(soul then die)  
It's keeping for the lonely(for the lonely)  
Since the day that your were gone  
Why did you leave me  
Soul then die  
In my heart you were the only  
And your memory lives on  
Why did you leave me  
Soul then die...
