

# Westlife, World Of Our Own

You make me feel funny  
When you come around  
Yeah that's what I found out honey  
What am I doing without you  
You make me feel happy  
When I leave you behind  
It plays on my mind now honey  
What am I doing without you

Took for granted everything we had  
As if I'd find someone  
Who's just like you

We got a little world of our own  
I'll tell you things that no one else knows  
I let you in where no-one else goes  
What am I doing without you  
And all of the things I've been looking for  
Have always been here outside of my door  
And all of the time I'm looking for something new  
What am I doing without you

Well I guess I'm ready  
For settling down  
And fooling around is over  
And I swear that it's true  
No buts or maybes  
When I'm falling down  
There's always someone who saves me  
And girl it's you

Funny how life can be so surprising  
I'm just realising what you do

We got a little world of our own  
I'll tell you things that no one else knows  
I let you in where no-one else goes  
What am I doing without you  
And all of the things I've been looking for  
Have always been here outside of my door  
And all of the time I'm looking for something new  
What am I doing without you

Well it's feeling right now  
So let's do it right now  
Praying that some how  
You will understand the way  
It's feeling right now baby somehow  
I won't let this slip away

We got a little world of our own  
I'll tell you things that no one else knows  
I let you in where no-one else goes  
What am I doing without you  
And all of the things I've been looking for  
Have always been here outside of my door  
And all of the time I'm looking for something new  
What am I doing without you
