This day right here is really rough  
These girls out here about the bucks  
These fools out here afraid to bust  
I have no fear, afraid of what  
And with my peers I'm comin' up  
Fools talk real loud but don't run up  
When we come through they run and duck  
We still right here don't press your luck

(W.C.)

Homey I'm tired of these cowards parkin like this walkin like this  
on my concrete when they chalkin' like this  
In videos in a trick pose and a throw back  
Holdin' a gad ain't gonna bust and know that  
It's a dub ass C thang dub C brain  
And we don't kick it for busters in khaki jeans strains  
I'm done movin I'm clearin the crowd  
It's the who bangin bandana cri-mi-ni-mi-nal  
The ori-gi-nal

(Mack 10)

Evacuate the building look here come a plane  
No, it's the big bad Westside Connect Gang  
And bump what you plain homey this who bang  
With enough game to drive a swear broad insane  
And we number one gunners no we ain't stunners  
It's real with us partna, dealers and drug runners  
And Mack be the D-Bo in the H2 Hummer  
Lookin hotter than the South Central L.A. summer  
Let's go

Body like Beyonce, face like Andre (uhhh)

(W.C.)

Have you seen us, naw Haters can't see us

Countless calls and countless charges  
Street niggas makin blunts out of Cuban cigars  
Big by the linnas sip notic by the liters  
With a flock of pros on us cause the cronic is the greenest  
And to my G's incarcerated and on probation

It's a Gangsta Nation if you in you a G  
And the whole world influence by the b in the sea  
Now tell the truth rappers you don't bow like me  
Cause I'm really from the gang ya'll is industry  
And while I'm servin up and comin young hustlas and gluckas  
Bangin for the hood causin havic and ruckus  
You fools actin label kissin up like suckas  
And your trick solder down when you pee lil bustas

(Ice Cube)

One thing I do know I ain't the uno  
Big puno rap sumo on pruno (you know)  
I'd like to thank the congregation  
In my affiliation to the Gangsta Nation  
I'm hard on them, yeah I'm ruthless  
You like a stress sac, boy you useless  
You know the side trick, better get up on it  
Cause it must be a single with Nate Dogg singin on it

(Mack 10)

We got a Gangsta Nation goin down over here  
So ya'll might as well bow down  
And join this Westside thang man
