

Wet Leg, Loving You

We had it all
We had it all
We had it all planned out
You said that I was everything you ever wanted, there's no doubt

I used to want to love you like you wanted me to
Now I want to hate you like I tell you I do
Sorry if I seem a little bit upset
When you say she looks a little bit like me when we first met

I don't want to have to be friends
I don't want to have to pretend
I don't wanna meet your girlfriend
Hope you choke on your girlfriend

Don't call me up, you fucked it up
I'm not your friend, I'm not your pal
You're fucking wishing that I was though, every time you see me out

You say you think about me in the midnight hour
I know that you're just rubbing one out up in the shower, honey
Sorry if I seem a little bit upset
When you tried calling me crazy 'cause I'm not DTF

I don't want to have to be friends
I don't want to have to pretend
Well I hope you're very happy
Hope she gets on with your daddy

After all, I don't want to have to be someone you want to marry
Fucking hell, yeah, that's a life of mis
I don't want to have to be the one to say I'm sorry 'cause I'm not, that's fucking faking it

Am I scaring you?
Well, what's a girl to do?

I don't want to have to stay friends
I don't want to have to pretend
I don't wanna meet your girlfriend
Hope you're choking on your girlfriend
When she calls 999, they cut the line on you
