

Wet Wet Wet, I Don't Believe

You, you, you were my first love
You, you were my last
And I was coming on strong, coming on strong,
Coming on strong
I could feel the love, I could feel your love
Coming through your heart
What did you do with your attitude blues
To make you feel alright

They'll make you, they'll break you
They'll put you back together
Again and again and again and again
I don't believe that the price isn't high enough
I just don't believe

There ain't no mountain high enough,
There ain't even a mountain
Just put your hands together
For the sake of Sonny's letter
It's a crime, it's a sign, it's a time,
It's a fine, it's your daily dime
So just put your hands together
For god sakes Sonny's letter

They'll make you, they'll break you
They'll put you back together
Again and again and again and again

I don't believe that the price isn't high enough
I just don't believe

No I don't believe
I don't believe we can't do the streets

You, you, you were my first love
You, you were my last
And I was coming on strong, coming on strong

They'll make you, they'll break you
They'll put you back together
Again and again and again and again
I don't believe that the price isn't high enough
We don't believe
