Wet Wet Wet, Maybe I'm In Love

Fly, to fly like a bird, To heavens above, On the wings of love. Shine, to shine like the sun, And warm up my life, And make it all worthwhile, yeah

Hand in my heart, it tears me apart When I'm away When I come home Don't wanna be on my own I said baby maybe I'm in love

Life, to have and to hold To cherish the love That we could share together High, as high as the moon The stars in the sky Beyond them I'd take you and i

Hand in my heart, it tears me apart When I'm away When I come home Don't wanna be on my own I said baby just maybe I'm in love

Yeah, blow blow blow blow

Yeah, all the way

Fly, to fly like a bird To heavens above On the wings of love

Hand in my heart, it tears me apart When I'm away When I come home Don't want to be all alone I said baby oh baby I'm in love With you

I'm in love with you
