

Wet Wet Wet, Second Hand News

C'mon...

I know there's nothing to say
Someone has taken my place
When times go bad
When times go rough
Won't you lay me down in tall grass
And let me do my stuff

I know I got nothing on you
I know there's nothing to do
When times go bad
And you can't get enough
Won't you lay me down in the tall grass
And let me do my stuff

Down, down, down, down, down
Down, down, down, down, down
Down, down, down, down, down
Down, down, down

Down, down, down, down, down
Down, down, down, down, down
Down, down, down, down, down
Down, down, down

One thing I think you should know
I ain't gonna miss you when you go
Been down so long
I've been tossed around enough
Ah, Couldn't you just
Let me go down and do my stuff

I know you're hopin' to find
Someone's gonna give you piece of mind
When times go bad
When times go rough
Won't you lay me down in tall grass
And let me do my stuff

Down, down, down, down, down
Down, down, down, down, down
Down, down, down, down, down
Down, down, down

Down, down, down, down, down
Down, down, down, down, down
Down, down, down, down, down
Down, down, down

Down, down, down, down, down
Down, down, down, down, down
Down, down, down, down, down
Down, down, down

Down, down, down, down, down
Down, down, down, down, down
Down, down, down, down, down
Down, down, down

C'mon

Sing

Down, down, down, down, down
Down, down, down, down, down
Down, down, down, down, down
Down, yeah

One thing I think you should know
I ain't gonna miss you when you go
When times go bad
When you can't get enough
Ah, wouldn't you just let me go down and do my stuff.

Down, down, down, down, down
Down, down, down, down, down
Down, down, down, down, down
Down, down, down

Down, down, down, down, down
Down, down, down, down, down
Down, down, down, down, down
Down, down, down

Hey

Down, down, down, down, down
Down, down, down, down, down
Down, down, down, down, down
Down, down, down

Oh Lord

Down, down, down, down, down
Down, down, down, down, down
Down, down, down, down, down
Down.
