Wheatus, Hump'em N' Dump'em

Cough up the rent Mr. Kent And don't try to blame it on the government Your wife is a clown she's in town, she gets with some other guy Are you gonna finish your fat? Cause I'd like to give it to my kitty cat The big fat look is coming back. You skinny people are screwed. And I know you're right Yeah I know it's time.

[Chorus]

Here we go again another humpem dumpem situation Here we go again another humpem dumpem situation Here we go again, here we go again Now I know what you're like and I don't think I like it.

The newspaper says to get bent; Man I'd like to say that to the President He got the L. in the House, I guess he already did She looks like she finished here fat She then turned around and ate my kitty cat She coughed up a hair ball or two and laughed her way to the bank And I know it's right Yeah, I know it's time.

[Chorus]

Here we go again.
